

# CHRISTINE FISCHETTE, Ph.D.

BOARD ADVISOR – LIFE SCIENCE/PHARMA

## Background

Dr. Fischette is an Independent Board Director with over 30 years of experience in strategic and operational roles within research, drug development, commercialization, business development, general management, and Board oversight in the BioPharma industry. As CEO & Founder of BioLinkUp, LLC, she has consulted for investment banks, biotech companies, academic institutions, and non-profits. She was a faculty member for BIO's Business Development Fundamentals Course, offered annually by BIO. Previously, Dr. Fischette held Executive positions at NY investment banks, Torrey Partners, and Griffin Securities, as well as at Enzo Therapeutics, Novartis, Pfizer, and Hoffmann-LaRoche. She served as Head of Negotiation and Board Director for several therapeutic business units at Novartis. She frequently chairs, organizes, and speaks at International BioPharma conferences.

At Pfizer, she directed a therapeutic's entire drug development and marketing process from formulation selection to successful commercialization, with net sales eventually reaching \$350 million. She has authored over 50 publications in peer-reviewed publications, including Science, while at Rockefeller University and other institutions.
